Chapter 11 Case No. 09-50026 (REG) General Motors Corporation, et. al., Debtors

After careful review of the Cure Amount we rescind our objection to items not showing on the contractnotices.com web site and Assumable Executory Contracts.

After reconciliation conversation with General Motors buyer we have decided not to object to the cure amount listed on contractnotices.com web site. Purchase orders not on the contractnotice.com web currently now show up or are listed for future payments on the GM supply power web site.

We withdraw our objection.

Please contact us if there is an additional form that needs to be completed to withdrawal our objection.

Sincerely,
